Committed to helping dogs live happy lives, we take great pride in providing a safe, clean, stimulating, playful environment for your pets. Our Daycare curriculum consists of plenty of supervised group indoor play, outdoor play exercises, quiet times in the relaxation area, one-on-one individual affection and snacks as per owner's instructions.

Our facility includes a reception area, large dog play area, small dog play area and a relaxation space. In summer months, our dedicated private shaded garden area is equipped with paddling pools in anticipation of excessively hot days. We also offer many outside play areas. Dogs are evaluated and introduced into play groups according to size/temperament.

Positive reinforcement training techniques are exercised to maintain good behavior. Here are the mandatory requirements, to enrol your dog(s) in Doggie Daycare here at Pet Country Estate. There is a one-time non refundable, temperament-evaluation fee of \$10 per dog.

**DAYCARE / DAY-NIGHT STAYS) \$37 + \$4 for each additional hour after 24.**

### **ALL DOGS MUST BE:**

- In good health, free from communicable disease
- Free of fleas & ticks and on a preventative treatment program
- All dog vaccination requirements must be current; Owners must submit written proof that their dog has received DHLPP, Bordatella and rabies.
- Puppies must have been administered their second set of vaccinations
- In the event a dog has been ill with a condition in the last 30 days a vet certification of return to health must be submitted for the dog to be admitted or readmitted
- All dogs are to be neutered/spayed when of an age to be so (9 months to a year old). A female in season will not be able to attend until her season has passed; All puppies must be 12 weeks or older

Owners are required to certify that their dogs have not harmed or shown any aggression towards persons or other dogs. Any dog that becomes aggressive after being enrolled is removed from the daycare environment and held in the boarding kennels until the owner returns; strategies will be discussed, up to and including possible removal from the program.
