We are so thankful to have had a golden retriever as special as "HARLEY" was to our family!

A once in a lifetime dog, we will carry him in our hearts forever. With his great personality and big heart, Harley was unforgettable. Thanks to Pet Country Estate's puppy classes, he was also very well trained. Dinner time was every day at 4:30. Like clockwork, as we filled his dish he would just sit there drooling until we said the famous words “Go too”.

Once while on vacation, we had a family member looking after him and forgot to mention that you have to say “Go too”. Well, we got a frantic phone call saying Harley would not eat! He just sat there waiting for the command. Upon hearing those two little words, he ate all of his dinner and all was right in his world again. He always knew that he had to wait, and had done so eat ever since he was puppy. He amazed us as to just how smart he was, and knew all the tricks in the book. Harley loved his food...and the water! Any chance he'd get, he'd be off SWIMMING! We always had to be careful bringing in the groceries; because if we weren’t? He'd would be gone to the neighbour’s yard for a swim at the lake. No one words can explain how much he was loved. They say a Dog is a man’s best friend, but he was much more than that! “HARLEY WAS FAMILY!”

Sadly on July 26th 2018 we awoke to find Harley had passed away during the night just 2 weeks shy of his 10th birthday. He will be forever cherished, loved by our family, and will always be the missing piece in our home. Thanks again for providing us with 10 years of great memories with one of the most amazing goldens ever.
