We picked our beloved "Shadow" out of 8 pups in her litter, as she was just incredibly attached to our 2 year old son Jacob who named her. Born September 22, 2007 she became a member of the Howard Family November 21st of that year.

An incredible dog from the start, she never really got the whole "fetch a ball" thing. Swimming was a weakness until she was in the water for a bit, and oh car rides! Yikes, not the best, as she always needed treats to get in. But these 3 great things were what made her our Shadow "Bear". She loved her Blue Bunny - which was our son's stuffy when he was 2 - and carried it everywhere in the house! Once Christmas Santa Paws gave her a new brown dog stuffy doggy, and then she carried both with her all of the time.

Sadly she was laid to rest at Allandale Veterinary Clinic Sept. 15th, 2020 at the age of 13 - with my now 15 year old son, my husband & I all at her side, on a blanket under the tree in back of the building. Dr Murphy and the entire staff have been incredible during our 13 years with them.

We have a monstrous hole in our hearts without our beloved Golden Shadow and value our 13 years together so much! Our son has only ever known Shadow in his life. From a pup to an aged senior dog, we loved her and will always have her in our hearts forever. RIP Shadow
