PAWS FOR A CAUSE/FAMILY DAY 2013 raised \$12,494.28.

This brings our 10-year Fundraising Total to an incredible:

\$90,116.38

October 7th, 2013 I had the honour of presenting a cheque for \$12,494.28 at The Lions Foundation's [National Dog Guide Training Centre](#) , in Oakville, Ontario. Proceeds from this year's 10th Anniversary Celebration of "All things Canine" held here at Pet Country Estate enabled us to sponsor an [Autism Assistance Dog](#) . This brings our total to over \$90,116.38.

With your help, we've now sponsored 17 working Dog Guides Teams across Ontario.

Words alone simply cannot describe, how proud we are of this incredible accomplishment! Sponsoring TEN Vision/SIX Hearing, and now: an Autism-Assistance Companion would not have been possible, without your unwavering support over the past decade! We applaud the people who foster & train these very special dogs, and their handlers. Those living with physical or medical disabilities, vision or hearing impairment, autism or diabetes, are to be commended for living their life to the fullest! Together with The Gilford & Thornton Lions Clubs, Pet Country Estate will continue to be a proud supporter of The Lions Foundation [Dog Guide Program](#) .

If you were one of the thousands of supporters who attended Paws for a Cause/Family Day celebrations over the years, we'd be honoured if you would LIKE Pet Country Estate on [Facebook](#) and share your PAWS PICTURES & MEMORIES with us! As I've always said: "WHEN IT COMES TO ANIMALS, ALL YOU NEED IS LOVE!"

With sincere gratitude & appreciation...

Liz Gordon - Pet Country Estate. The Gilford & District Lions Club. The Thornton District Lions & Innisfil Lioness Club.
