Our 28 years as a local family-owned business hold so many precious memories, words simply cannot describe the roller-coaster ride of emotions we all feel at this time. We do want to thank all of you for the outpouring of well wishes over these last few weeks.

We truly appreciate all of our "BFF's - Best Furry Friends" (dogs & cats, and their 'humans').

It has been an honour to meet and serve each and every one of you.

To our past and current staff, particularly those who stayed with us through to the end...

"We could not have done it without you!!" Best wishes to all

Thank You!

We would like to express our sincerest gratitude to all who have been part of our extended family here at Pet Country Estate since 1994...
