LIONS FOUNDATION OF CANADA DOG GUIDES

Thanks to your generosity, Barrie's annual Lions Foundation Dog Guide Walk was a big success again this year! You can still donate to one of our favourite causes, by clicking the link [HERE](#). You're also just a few clicks away from ensuring even more Canadians with Disabilities get the helping paws they need. The Lions Foundation's National Training Centre in Oakville now offers seven different programs. Each unique in their own right, these are the life-changing programs that you're supporting every step of the way:

[Canine Vision](#)

for people who are blind or visually impaired.

[Hearing](#)

for people who are deaf or hard of hearing.

[Autism Assistance](#)

for children who have autism spectrum disorder.

[Service](#)

for people who have a physical disability.
