Base Boarding is **\$20 a day plus HST**. Seperate from Pet Country Estate's Dog Boarding facility, cats are secured in an exclusive, sanitary and comfortable temperature-controlled environment. Double-door security ensures all beloved felines enjoy indoor living, as part of *our home* here at Pet Country Estate.

Our facilities include spacious indoor cat playpens; and consist of 3 level sleeping options. Calming music is played 24/7. Cats are visited 4 times daily to ensure fresh water and clean cat litter is available. Along with regular staff, our wonderful volunteers love to talk & interact with them.

We recommend daily exercise and request they be allowed to take part in our "CAT PLAY HOUR" program. At a cost of only **\$2 per hour**, these **PLAY HOURS** are designed to enhance their stay, and are available for a nominal fee.

NOTE: Unaltered males & females over six months cannot be accepted.

Pet Country Estate offers your cat an opportunity to be free to play indoors on an hourly basis - per the number of hours requested at the time of drop off. Your cat(s) will be entertained by staff & volunteers, petted/groomed and happily returned to their individual accommodations. This daily activity will assist them to more readily enjoy themselves while staying with us.

We require that you bring their food with you, as changing a cat's diet is not a good idea. We ask that food & any supplements come in original packaging/containers, clearly labeled with

their name. While in our care, cats are fed twice daily, or according to your instructions. They are not required to have their own bowls, as our ceramic bowls are sterilized. Pet Country Estate will also provide bedding & toys. If you prefer they have their 'favorite toy', it can easily be made available to them. We ask that you apprise us of your cat's idiosyncrasies/habits so that we can address their needs to the best of our abilities.

After 12 noon on the day of pickup, there's an extra \$1 an hour charge until you arrive - instead of another day's rate. If your cat requires medication, there will be a \$1-to-\$5 admin fee - per administration, dependent on the type of meds, and the number of times administration is required.

Should you have multiple cats, they can be accommodated together in our large cat playpens. A \$10 fee will apply for the second cat. And if staying more than 7 days, a deposit of approximately 50% of the cost of the stay, is required at drop-off.
