CHLOE: (December 27, 2005 - February 1, 2021)

Thank you to everyone who looked after our beautiful girl "CHLOE". Our little senior Aussie who did not like other dogs or crates had no problems whatsoever at Pet Country Estate. She was also on her best behaviour around other dogs at your kennel. Chloe celebrated her 15th birthday Dec 27th but sadly passed away Feb. 1, 2021. She will be missed, but it was nice to know that when she stayed with you she was happy! Her last visit was Aug 2020. She didn't even look back at me when the girl took her to the back. Sorry I don't remember everyone's names, but all of your staff are great! Thank you for all that you did for her. Sincerely, Wanda Muir
